**Helping clothe others!** Do you have some gently used button up the front shirts you do not know what to do with? Irene Smith is collecting them to make dresses for young girls in South America. They must be clean, button up the front and size large or extra large. They can be dropped off in the basket in the Narthex.

### The Pictorial Directory has arrived!

You can pick up your copy in the Narthex before and after church. The Directory does not include phone numbers, email addresses as we do not have everyone's permission to share them. If you have not provided your phone number, address, and email to be put on a public list, please do so at the same table as the directory. We will have a list out in the next month once all is compiled.
