At the Council meeting this week several recommendations of the Emergency Preparedness/Response Committee (EPRC) were approved. One of these recommendations was to set a *tentative* date of Sunday **October 11<sup>th</sup>** as an in-person worship service. This will depend on what is happening in Saskatchewan and particularly in Regina with the Covid 19 virus. The Worship Core Team and the EPRC are working on the protocols, registration, etc. and this will come available later in the month or the beginning of October. You will be notified of these when they are available. We ask for your continued patience as we move through this time and we look forward to when we are back again.
