Masks & Sanitizer

As per SHA requirements we ask that you wear a mask while attending the church. Please bring one with you. Hand sanitizer will be available for your use.

The kitchen is officially closed! We are sorry but there will be no coffee time after church on-going. If you require a drink, please bring a

bottle of water or coffee with you, and please take back home with you!

Finding a Seat

The ushers will seat you upon entry into the sanctuary. Please follow the arrows while in the sanctuary so there

is only on-way traffic.

A Family may sit together in one pew. Couples, singles, or “bubbles” of people will be seated together in one pew with physical distancing observed.

PLEASE do not move about the sanctuary to visit.

Balcony

If you are willing and able to sit in the balcony, please indicate to

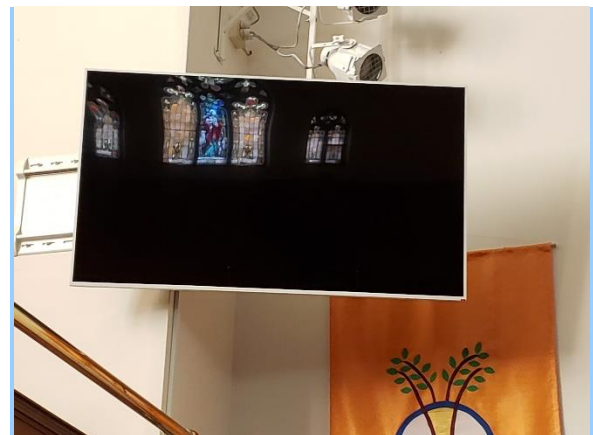

the register. This will enable us to help with the physical distancing required at this time. There is always a good view from the balcony!

Your Offerings

There will be collection plates at the entrances for the sanctuary. We invite

you to use them and we thank you for your generosity.

Saying Hello!

If you wish to say “Hello” to your Church Family, we ask that you either do it from where

you are seated or outside of the church after the service. Please remember to physical distance to keep everyone safe! There is only one-way traffic in the church.

Singing

At this time, we cannot have singing in the church even with the masks on. During the instrumental pieces, we hope to have some slides on the screens that you will be able to reflect on. The organ will not be used.

Westminster will do its best to make sure everyone is safe while attending worship or other activities in the church. We thank you for your cooperation!
