**Re:** **Please help to keep food warm**  
**Date:** 7 January 2021

During this pandemic, volunteers and staff at Indigenous Christian Fellowship (ICF) have shared warm food with community members. Thank you for

As the winter season continues, it is apparent that the warm food shared with people quickly cools down in the cold weather.

ICF is requesting that people look in their closets and garages and sheds and see if they have small coolers that they can donate to others to use to keep their food warm. There is a preference for small coolers with handles. The soft-sided coolers that are made for 18 to 24 cans of pop or beer would be great!

If you can donate one or more coolers, please deliver them to:

Thank you for your support!
