Sing Stone Soup and Support LBC!

This fall, a diverse group—young and old—will come together to stage *Stone Soup* the musical! This delightful tale showcases how tricksters unite a community through generosity and openness. To make this performance a success, we need you, your friends, and family to share your time and talents. Previous productions included participants from ages 1 to 83, making it a fun experience for all! If you're interested or curious about participating, please email Vicki at miss.v.nelson@gmail.com with any questions.

The Regina and Area Cluster event has changed. **There will be no joint worship service on October 6**, but the Saturday event is still a go. Folks attending will hear more about Refugees, the Food Bank Store and Houselessness safe communities. Registration form is available <https://forms.gle/CWqrv3ifZ2iekkz5> or contact russell.eastside@gmail.com.

Harmony United has started a "Climate Conversations" to discuss global warming, solutions, and just offer each other listening ears in these trying times. We'd love to open this up to other UCC church individuals or climate justice committees. Maybe this can be a cluster group rather than a Harmony one! Our next conversation is Sept 26 at 7:00 on Zoom. If you'd like to join in, please send a private message to get the link Jim Tenford at Harmony United Church 306-586-3613
