"Other" section of your offering envelope. If you are giving by e-transfer, please include **"Building Fund – Darrell's Office"** in the memo/message field.

Downsizing? We'd Love Your Help!

Are you downsizing or cleaning out your house? The kitchen could use an electric kettle, large soup pots and a few small pots.

Thanks for thinking of us.

ROAD CONSTRUCTION NOTICE

Please be advised that road construction has begun on our section of Cameron Street. During the construction period, parking on Cameron Street will be limited. Congregation members and visitors are encouraged to use available parking on nearby streets, including along 14th Avenue, and access the church using the maintained sidewalks.

The Cameron Street entrance will remain accessible; however, the **front doors and elevator entrance are currently the safest and most convenient way to enter the building.**

We appreciate your patience and understanding as this work progresses. We will continue to provide updates as construction advances and parking arrangements change.

Thank you for your cooperation.

"Without additional community support, Carmichael will be forced to consider reducing services and operating hours to get through this difficult period. We don't want to make those decisions, but we cannot ignore the financial reality we're facing.

We don't make urgent fundraising appeals lightly. In fact, we've held off making one for months because we believed we could get through this. We've stretched every dollar, reduced costs where we could, and continued showing up for every person who walks through our doors.

But we've reached the point where we need to ask for your help.

We're facing one of the most difficult fundraising periods we've experienced in years.

Today, we're asking you, our community, to stand with us again.

Thank you for your support of Carmichael in the past. You have shown that everyone who accesses Carmichael mattered to you. You've shown that you believe that everyone deserves dignity, compassion, and support.

We're not asking because it's convenient. We're asking because, right now, it's necessary.

Every donation, regardless of the amount, helps us continue meeting the needs of people in our community who have nowhere else to turn.

Our community needs Carmichael.

Today, Carmichael needs our community.

If you are able, please donate. Carmichael would be deeply appreciative to have extra support to get through this difficult time.

Donations can be made through the Carmichael website <https://carmichaeloutreach.ca/> or you can give it to Westminster, making sure you mark it for Carmichael Outreach and it will be forwarded.
